International Fellowship of Motorcycling Rotarians

IFMR-NA Spring Get-together
Lock Haven, PA – May 10-12, 2013

Spring is spectacular and the riding is great in the valleys, mountains, and forests of north-central Pennsylvania.

Mark your calendar and join us for fun, fellowship, and great riding. Scenic, historic Lock Haven is located on the west branch of the Susquehanna River and surrounded by many great scenic and historic places: scenic farms and small villages nestled along the river and among rolling hills and mountain ridges.

Ken & Jean Brandt have put together a great weekend! On Friday arrive in time to explore Lock Haven and scenic roads in the immediate area; or maybe visit nearby world-famous Williamsport, home of the annual Little League World Series, then get-together that evening for casual dinner with other IFMR riders. On Saturday at breakfast we'll get a briefing by Mary Wolf, Anadarko Petroleum Corp., (www.anadarko.com) on their Marcellus Shale Operations in the area. Then, starting about 8 AM, we'll enjoy a scenic 200 mile loop ride, initially following the Susquehanna River northwest to historic US 6, then east with stops at the Pennsylvania Lumberman's Museum (www.lumbermuseum.org) and the spectacular Grand Canyon of Pennsylvania (visittiogapa.com/canyon.html), aka Pine Creek Canyon, near Wellsboro, then back south to visit the flagship Woolrich outlet store (woolrich/company/flagshipstore.jsp) before returning to Lock Haven for a relaxed casual fellowship dinner at our hotel. Plus lots of other opportunities for food and fellowship with other riders at unique local restaurants Friday and Saturday.

Take a look at the attached map to get a better idea of the planned route, then contact the hotel and make your reservations to join us for this great get-together.

So we can plan for our fellowship dinner on Saturday night, as well as keep you posted on further details, please let us know if you plan to attend by emailing event organizer Ken & Jean Brandt (keystnken@aol.com) with your expected arrival and departure times and the name of your passenger and/or guest riders, if any, plus any questions you may have about the event.
